

New Year's Greetings!

By many measures, the Stewardship effort this year has been a great success, and the Stewardship Team would like to thank everyone who has responded with pledges so far this year. We have seen increases in the pledges of many, as well as new pledges by over 15 people! Given the economic times, this is a strong showing of faith and an affirmation that what Shadow Rock does matters. For everyone who has pledged or acknowledged their intentions this year, thank you!

Some have still not responded to the Stewardship effort, and we would like to ask that if you have pledged in previous years, please contact Heidi Zinn in the office to let her know your intention for 2010. In order to plan and budget for the New Year that is upon us, it is important that we have good numbers to work from. Without an acknowledgement of your intention, we will be forced to budget based upon a pledged amount that is roughly 10% less than last year. This will mean many of our programs will see reduced funds available, and this could also impact other aspects of our congregation's activities.

To anyone who has not responded to the pledge process this year, please take a moment and contact Heidi Zinn at the office (602-993-0050 or heidi@shadowrockucc.org) and simply let her know if you intend to continue at your current level or wish to make a change in your giving.

Thank you, and let's make this a Happy New Year for Shadow Rock!

Faithfully,
Your Stewardship Team
