

It was when I stopped searching for home within another and lifted the foundations of home within myself I found there were no roots more intimate than those between a mind and body that have decided to be whole

Strengthening Connection

Coming Together

(Please stand if you are comfortably able)

Nanci Campbell

One: We come together to honor our past.

All: We come together to affirm our lives here and now.

We come together to symbolize the future of our world.

One: May our time together renew our hope.

All: May the stories we share refresh our courage.

One: May the songs we sing lift our spirits.

All: May the words we speak invigorate us.

One: May the touch of hands, the sound of laughter,
the sight of faces new and familiar,

All: build our resilience in trust and love.

One: May we be for each other what the world needs. Let us
sing!

Singing Our Faith

God of Grace and God of Glory

by John Hughes & Harry Emerson Fosdick

1. God of grace and God of glory
On thy people pour thy power;
Crown thine ancient Church's story;
Bring her bud to glorious flower.
Grant us wisdom, Grant us courage
For the facing of this hour,
For the facing of this hour.
2. Set our feet on lofty places;
Gird our lives that they may be
Armored with all Christ-like graces
In the fight to set men free.
Grant us wisdom, Grant us courage,
That we fail not man nor thee,
That we fail not man nor thee!
3. Save us from weak resignation
To the evils we deplore;
Let the search for true salvation
Be our glory ever more.
Grant us wisdom, Grant us courage.
Serving thee whom we adore,
Serving thee whom we adore.

Gathering, Scattering and Passing the Peace

Nanci Campbell

One: Generous God, enfold us in the depths of love and hold us there.

All: Renew. Refresh. Restore us.

One: Saturate us with the capacity to bounce back and be instruments of peace. In this day made fresh by the rising of the sun may we embrace this day in hope.

All: Let us embrace each other in peace.

Learning Something of Value

Word About Life

Yet today, precisely because the world is so increasingly out of balance, the sustainability regime is being quietly challenged, not from without, but from within. Among a growing number of scientists, social innovators, community leaders, nongovernmental organizations, philanthropies, governments and corporations, a new dialogue is emerging around a new idea, resilience: how to help vulnerable people, organizations and systems persist, perhaps even thrive, amid unforeseeable disruptions. Where sustainability aims to put the world back into balance, resilience looks for ways to manage in an imbalanced world. ~Andrew Zolli

He has shown you, O mortal, what is good. And what does the Lord require of you? To act justly and to love mercy and to walk humbly with your God. Micah 6:8

What We Need and What We Give

Celebrations

Rev. Ken Heintzelman

This is our time to share the celebrations of our lives:
birthdays, anniversaries, words of kindness
and works of peace and justice.

Celebration Song

Celebrate your heart and your spirit,
Celebrate your life while you live it.
Even when it's hard to do,
Celebrate the best of you.

Celebrate your dreams
and your visions,
Celebrate the love you've been given.
Cherish all that you've been through,
Celebrate the best of you.

Invitation to Give

Nanci Campbell

One: In all the colors and scents and sounds of the world, we see God's signature as the beauty of things.

Dedication of Our Offerings and Ourselves

Nanci Campbell

One: Today is a day of compassion...

May our indifferences give way to awakening.

All: May we allow ourselves to feel more keenly the hungers and pains of others we encounter.

One: And may we come to know deep within that our every act of compassion and sharing, changes things...

All: even if only ourselves.

One: These are the times

All: We are the people.

One: All of Creation is blessed!

All: May we love all and serve all!

One: May God be with you.

All: And also with you.

One: Amen.

All: Amen.

Sending Forth Song

One More Step

by Joyce Poley

1. One more step, we will take one more step,
'Til there is peace for us and everyone,
We'll take one more step.
2. One more word, we will say one more word,
'Til every word is heard by everyone,
We'll say one more word.
3. One more prayer, we will say one more prayer,
'Till every prayer is shared by everyone,
We'll say one more prayer.
4. One more song, we will sing one more song,
'Til every song is sung by everyone,
We'll sing one more song.
